Teachers will guide students about competition etiquette, such as:

- Applaud every participant for their courage and effort.
- Be respectful and never make fun of anyone.
- Listen carefully to the speaker.
- Performances will be evaluated on a **5-point scale** across four criteria:
 - Memory
 - Pronunciation
 - Expression

- Students are allowed to use props. Certificates will be awarded to the **Top 3 performers** in each class.

Let us encourage our children to take pride in their mother tongue and participate with joy and confidence.
