Sehwag International School

APRIL - MAY 2026 Newsletter

“Empowering Minds, Celebrating Excellence & Growing Together”

May at Sehwag International School was a month filled with meaningful learning, professional growth, sporting spirit, safety awareness, and moments of achievement. From empowering educators through value-based learning and making mathematics experiential to strengthening sports infrastructure and preparing students for emergencies, every experience contributed to the holistic development of our school community.

This month's highlights include an enriching Capacity Building Program on Value Education, where educators explored ways to nurture character and resilience; an engaging Abacus activity that brought number concepts to life for students of Classes IV to VII; the addition of a high-performance Hydrostatic Roller to enhance cricket pitch maintenance; and a practical Fire Safety Awareness Session featuring evacuation drills and the PASS technique.

Adding to the month's celebrations was the remarkable 100% success achieved by our Class XII students in the Board Examinations, with special recognition for our stream toppers.

The sporting arena also witnessed an exciting U14 cricket encounter between the SISJ Spartans and Agastya International School, Rohtak, where our young athletes demonstrated determination, teamwork, and true sporting spirit.

May beautifully captured the SISJ spirit—a commitment to values, experiential learning, excellence, preparedness, and perseverance. We are delighted to share these memorable moments that reflect the dedication, enthusiasm, and all-round growth of our students and educators.

PARENT ORIENTATION PROGRAMME

Every New Beginning Starts with a Welcome.”

Dear Readers,

It gives me immense pleasure to present the May edition of our school newsletter. This month has been marked by meaningful learning experiences, outstanding achievements, professional development, safety awareness, and memorable sporting moments that beautifully reflect the vibrant spirit of Sehwag International School.

We proudly celebrate the remarkable 100% success rate achieved by our Class XII students in the Board Examinations, a testament to their dedication and perseverance, along with the unwavering guidance of our faculty and support of our parent community. We also extend special congratulations to our stream toppers for their commendable performances.

This edition also highlights an enriching Capacity Building Program on Value Education, which empowered educators with meaningful strategies to nurture character, resilience, and core values among students. Our young learners further embraced experiential learning through an engaging Abacus activity, strengthening their understanding of number systems, place value, and fundamental mathematical concepts.

Our commitment to holistic development was further reflected through the addition of a high-performance Hydrostatic Roller to our sports infrastructure and a practical Fire Safety Awareness Session, where students learnt essential emergency-response procedures and the PASS technique for using a fire extinguisher.

The sporting arena also came alive as our U14 SISJ Spartans faced Agastya International School, Rohtak, in an exciting cricket encounter. Although the visitors secured the victory, the match provided our young athletes with valuable lessons in determination, teamwork, sportsmanship, and perseverance.

May beautifully reflects the spirit of SISJ – where learning builds character, achievement inspires excellence, preparation creates confidence, and every experience contributes to the growth of our young learners.

We are delighted to share these memorable moments with you and hope this edition inspires you to celebrate the dedication, enthusiasm, achievements, and holistic development of our students and educators.

Regards,

Sonali Vashisth

Editor – School Newsletter

Sehwag International School

The arrival of new students at Sehwag International School marked the beginning of an exciting new chapter, and the Parent Orientation Programme provided the perfect platform to welcome them and their families into the SISJ community.

The orientation brought together newly admitted students, their parents, and members of the school team. Parents were guided about the school's academic environment, residential life, routines, expectations, and the support systems available to students. The session also gave parents an opportunity to understand the school's approach towards nurturing children in a disciplined, caring, and enriching environment.

For the young learners, it was more than an orientation—it was their first step towards becoming a part of a new community, making new friends, exploring their surroundings, and beginning their journey with confidence. With guidance for parents and encouragement for students, the day transformed uncertainty into excitement and a new admission into a new beginning.

BOARDING NIGHT

"When the Day Ends, the Memories Begin!"

The boarding campus came alive with energy and excitement during a memorable Boarding Night, giving students a wonderful opportunity to unwind, connect, and celebrate together.

The evening was filled with music, laughter, poetry, singing, dancing, and a lively dance party. Students enthusiastically participated in performances, cheered for their friends, and enjoyed the spirit of togetherness that makes boarding life special.

Away from academics and daily routines, the evening allowed students to express themselves freely and strengthen friendships across dormitories and groups. The cheerful atmosphere created countless moments of laughter and shared memories.

From soulful verses to energetic dance moves, the evening reminded us that some of the best school memories are created together.

UNDER-14 CRICKET TOURNAMENT

"DIFFERENT TEAMS. ONE PITCH. A SHARED PASSION FOR CRICKET."

The Sehwaag International School cricket ground witnessed an exciting display of young sporting talent during the Under-14 Cricket Tournament. Teams from different states came together to compete on the SISJ pitch, bringing with them enthusiasm, competitive spirit, and a shared love for the game.

Our young cricketers also took to the field, embracing the opportunity to compete against players from different regions. Every match offered valuable lessons in teamwork, discipline, strategy, sportsmanship, and handling both victory and challenge with composure.

The tournament created a vibrant sporting environment on campus and provided our students with the experience of competing in a wider sporting arena.

Every delivery, partnership, catch, and run added another lesson to the journey of becoming not just better players, but better team members.

AN INSPIRING DAY WITH MAYANK DAGAR

“EXPERIENCE INSPIRES. INTERACTION TRANSFORMS.”

Students at Sehwa International School had the opportunity to participate in an inspiring and interactive session with cricketer Mayank Dagar.

Sharing insights from his own sporting journey, Mayank Dagar spoke to students about the importance of preparation, strategy, consistency, and staying focused on the goal. His experiences from the field gave students a realistic understanding of the challenges and opportunities that come with pursuing excellence in sport.

The interactive nature of the session allowed students to engage directly, ask questions, and gain practical guidance. His experiences encouraged students to understand that success is built not only through talent, but also through discipline, planning, perseverance, and the ability to learn from every experience.

Extra Line:

For our young athletes, the session was a reminder that behind every successful performance lies countless hours of preparation, patience, and purposeful effort.

AN INSPIRING INTERACTION WITH OUR FOUNDER, MR. VIRENDRA SEHWAG

DREAM BIG. WORK HARD. BELIEVE IN YOURSELF."

The SISJ campus was filled with enthusiasm as our Founder, Mr. Virendra Sehwaq, interacted with students and shared words of motivation and guidance.

His presence provided students with an opportunity to listen to someone whose journey reflects determination, courage, perseverance, and an unwavering belief in one's abilities. Through his interaction, students were encouraged to remain focused on their goals, embrace challenges, and continue working towards excellence.

The session was especially meaningful for our young learners, who had the opportunity to interact with and learn from a sporting icon and the visionary behind their educational environment.

His words left students with a powerful message: talent may open a door, but commitment, discipline, and perseverance take you through it.

LEARNING BEYOND THE CLASSROOM

"FROM TEXTBOOK CONCEPTS TO REAL-WORLD INSIGHTS."

FIELD TRIP

Learning took a practical turn for the Commerce students of Classes XI and XII as they stepped beyond the classroom to explore the real-world application of Economics.

As part of their Economics Subject Enrichment Activity, "Impact of GST on Local Businesses," students undertook a field-based exploration to understand how the Goods and Services Tax influences businesses operating in their local surroundings.

The activity encouraged students to observe, interact, enquire, and connect theoretical concepts with actual business practices. Rather than limiting their understanding of GST to textbook definitions and examples, students explored how taxation affects pricing, billing, business operations, and day-to-day commercial decisions.

The field experience helped students develop greater economic awareness while strengthening their observation, communication, analytical, and enquiry-based learning skills.

Extra Line:

When the classroom becomes the marketplace and theory meets real experience, Economics becomes a subject students can see, question, and understand.

हिंदी पठन कौशल – शब्दों से आत्मविश्वास तक

“जब शब्दों में भाव उतरते हैं, तो सीखना जीवंत हो जाता है।”

हिंदी पठन कौशल गतिविधि

कक्षा IX और X के विद्यार्थियों ने हिंदी पठन कौशल संवर्धन गतिविधि में उत्साहपूर्वक भाग लिया। इस गतिविधि का उद्देश्य विद्यार्थियों के शुद्ध उच्चारण, पठन प्रवाह, अभिव्यक्ति कौशल तथा हिंदी साहित्य के प्रति रुचि और समझ को विकसित करना था।

विद्यार्थियों ने चयनित कविताओं और गद्यांशों का उचित आरोह-अवरोह, विराम और भावपूर्ण अभिव्यक्ति के साथ पाठ किया। इस गतिविधि ने उन्हें अपनी झिझक दूर करने और हिंदी में आत्मविश्वास के साथ बोलने का एक सकारात्मक मंच प्रदान किया।

विभिन्न भाषाई पृष्ठभूमि से आने वाले विद्यार्थियों की भागीदारी विशेष रूप से सराहनीय रही। अपने कम्फर्ट ज़ोन से बाहर निकलने की उनकी तत्परता ने विद्यालय के *Power of 7* के मूल्यों, विशेष रूप से लचीलापन (*Resilience*) और आत्मविश्वास (*Confidence*) को प्रतिबिंबित किया। इस गतिविधि से विद्यार्थियों के शब्दकोश में वृद्धि हुई, उच्चारण में सुधार आया और पठन के प्रति उनकी रुचि एवं सकारात्मक दृष्टिकोण और अधिक मजबूत हुआ।

पढ़ा गया प्रत्येक पृष्ठ विद्यार्थियों को अधिक आत्मविश्वास, प्रभावशाली अभिव्यक्ति और अपनी समृद्ध भाषाई एवं सांस्कृतिक विरासत से गहरे जुड़ाव की ओर एक कदम आगे ले गया।

English Reading Enrichment – Reading Beyond the Lines
“Don’t just read the words—discover the ideas behind them.”

The English Subject Enrichment Activity for Classes X, XI, and XII was designed to take students beyond conventional reading and encourage them to interpret, analyse, and think critically.

Students engaged with carefully selected passages based on contemporary themes and current affairs, giving them an opportunity to work with reading material aligned with the latest CBSE-oriented expectations. Rather than limiting themselves to finding direct answers, students were encouraged to infer meaning, identify perspectives, and interpret information thoughtfully.

The enthusiastic participation of senior students demonstrated their growing ability to handle complex texts with confidence. Their performance reflected the Power of 7 values of Analytical Decision-Making and Resilience, while also strengthening skills useful for competitive examinations and everyday information processing.

Extra Line:

Strong readers do more than understand a passage—they question, connect, evaluate, and discover.

SJS Spectrum

Science SEA – From Concepts to Creation

“Science comes alive when curiosity meets hands-on learning.”

The Science Subject Enrichment Activity offered students an opportunity to experience science through observation, identification, exploration, and experimentation.

The activity brought together three fascinating areas—Nutrition, Human Anatomy, and Basic Electronics. Students began by identifying different food sources and classifying them according to their macro- and micronutrient content, connecting classroom learning with everyday dietary choices.

The exploration continued with the skeletal system, where anatomical models helped students identify major bones and understand how the human body is structured and supported.

The final segment transformed the classroom into a practical learning space as students constructed series and parallel electrical circuits. Working with components such as resistors, switches, and power sources, they experienced first-hand how theoretical principles translate into functional systems.

The activity encouraged analytical reasoning, collaboration, technical understanding, and problem-solving, while reflecting the Power of 7 values through experiential learning.

When students touch, test, build, and discover, science changes from something they study into something they experience.

An Inspiring Encounter with Col. Anoop

Courage in Action. Service with Purpose.

The students of Sehwa International School had the privilege of interacting with Col. Anoop, a distinguished Army officer who was part of the Surgical Strike. His visit offered students a rare opportunity to hear about courage, leadership, discipline, and service directly from someone with firsthand experience of a significant military operation.

During the interactive session, Col. Anoop shared his personal journey and experiences associated with the Surgical Strike, giving students an insight into the determination, teamwork, preparation, and mental strength required in the armed forces. His narration helped students understand that military success is built on rigorous training, strategic thinking, discipline, and unwavering commitment to the nation.

A key focus of the interaction was the opportunities and career pathways in the Indian Armed Forces. Col. Anoop guided students about pursuing a career in defence, particularly through the National Defence Academy (NDA), and encouraged them to consider the armed forces as a purposeful and prestigious career option. He motivated students to start preparing early, develop physical fitness, strengthen their academic foundation, and cultivate qualities such as leadership, courage, responsibility, and resilience.

The session left students inspired to look beyond conventional career choices and appreciate the honour and responsibility associated with serving the nation.

Extra Line:

His journey reminded our students that wearing the uniform is not merely a profession—it is a commitment to courage, discipline, leadership, and the service of the nation.

A Tribute to Motherhood

"Some bonds are written in the heart before they are ever put into words."

On the occasion of Mother's Day, students participated in a heartfelt activity that gave them an opportunity to express their love, gratitude, and appreciation for their mothers.

Through beautifully written letters, students shared their emotions and reflected on the care, sacrifice, encouragement, and unconditional love that mothers bring into their lives. Many students also shared special memories and personal experiences, making the activity deeply meaningful and emotional.

The activity encouraged students to pause and recognise the important role of their mothers while strengthening values of love, respect, gratitude, and sensitivity.

In every letter, there was a message beyond words—a quiet thank you to the first teacher, strongest support, and most constant source of love in a child's life.

Ek Bharat Shreshtha Bharat **"Many Cultures. One Nation. One Shared Identity."**

As part of the Ek Bharat Shreshtha Bharat (EBSB) initiative, students participated in a series of engaging activities celebrating the cultural richness of Haryana and its paired state, Telangana.

Students of Classes IV–VII explored traditional attire through creative colouring activities, while Classes VIII–X developed their understanding through map work and charts featuring the states, their capitals, and important state symbols.

Senior students of Classes XI and XII presented informative PowerPoint presentations highlighting the culture, cuisine, traditions, heritage, prominent personalities, and other distinctive features of Haryana and Telangana.

The activities provided students with a meaningful opportunity to appreciate the richness of India's cultural diversity while recognising the strong thread of unity that connects every region.

When young minds explore different traditions with curiosity and respect, diversity becomes not a difference, but a beautiful strength.

EMPOWERING EDUCATORS – NURTURING VALUES

Learning extends far beyond textbooks, and our educators took an important step towards making it more meaningful through a Capacity Building Program on Value Education.

The enriching session focused on equipping teachers with practical strategies to weave core values into everyday classroom learning. Educators from different schools came together to exchange perspectives, discuss contemporary classroom challenges, and explore ways to nurture not only academic growth but also character, resilience, and responsible citizenship.

Led by esteemed resource persons Ms. Poonam Nehra and Ms. Kiran Kalra, the interactive workshop encouraged thoughtful discussions, practical exercises, and professional collaboration. The session concluded with educators carrying forward a renewed purpose—to shape not just the minds of young learners, but their hearts and values as well.

1 2 3 4 NUMBERS COME ALIVE – EXPLORING THE ABACUS

From Beads to Brilliance!

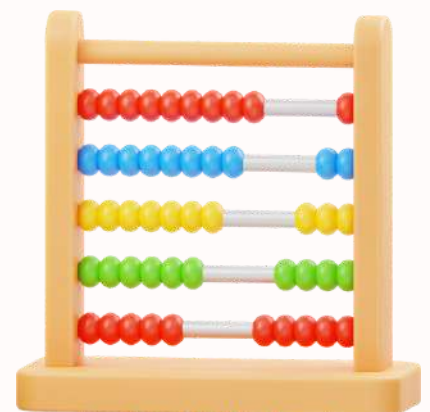

Mathematics became an exciting hands-on experience for students of Classes IV to VII as they explored the fascinating world of the abacus.

Students discovered how this age-old calculating tool was used for arithmetic and connected its traditional use with modern mathematical learning. Through practical activities, they created and represented numbers, strengthening their understanding of number formation and place value.

The activity also introduced students to the Indian and International Number Systems, while helping them distinguish between the place value and face value of digits.

With every bead they moved, students transformed abstract numbers into something they could see, touch, and understand—making mathematics more interactive, experiential, and enjoyable.

SJS Spectrum

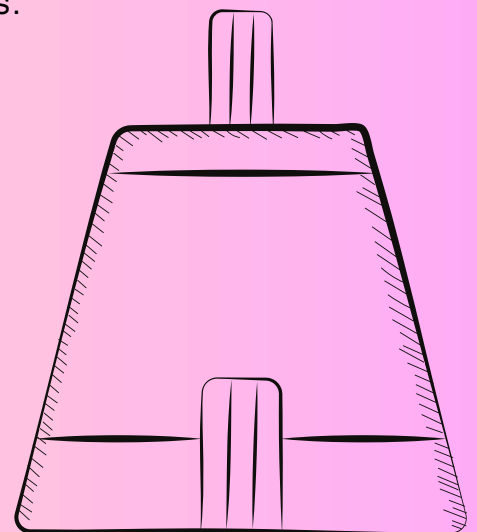

ELEVATING OUR GAME **A Stronger Pitch for Bigger Dreams!**

Sehwag International School has taken another step towards enhancing its sporting infrastructure with the addition of a high-performance Hydrostatic Roller to the Sports Department.

Designed for professional cricket pitch maintenance, the new equipment will help ensure better bounce, improved playing conditions, and a more consistent playing surface.

This latest addition reflects the school's continued commitment to providing budding cricketers with quality infrastructure and an environment where sporting talent can grow with confidence.

Better facilities. Better preparation. Bigger aspirations.

SAFETY FIRST – LEARNING TO RESPOND

Fine Safety Awareness Through Action

Preparedness can make all the difference during an emergency. Keeping this in focus, Sehwaq International School conducted a Fire Safety Awareness Session for students.

The session began with a structured fire drill, giving students an opportunity to practise evacuation procedures while understanding the importance of staying calm and following safety protocols.

The school's security officer then guided students through different types of fire hazards and explained the appropriate immediate responses. A live fire-extinguisher demonstration added a practical dimension to the session, introducing students to the PASS technique—Pull, Aim, Squeeze, Sweep.

Through this experiential learning opportunity, students gained essential safety awareness along with the confidence to respond responsibly during an emergency.

CELEBRATING EXCELLENCE – CLASS XII ACHIEVES 100% SUCCESS

A Milestone Worth Celebrating!

A proud moment for the entire SIS family as Sehwaq International School recorded a phenomenal 100% success rate in the Class XII Board Examinations.

This outstanding achievement reflects the dedication of our students, the consistent guidance of our teachers, and the encouragement and support of our parent community.

★ STREAM TOPPERS

Humanities: Shivam Anand – 90.2%

Commerce: Aakarsh Saxena – 87%

Science: Anuranjini Ahlawat – 86.6%

Behind every percentage lies perseverance, discipline, determination, and countless hours of effort. We extend our heartfelt congratulations to all our Class XII achievers and wish them continued success as they step towards exciting new chapters.

The future looks bright—and our young leaders are ready to lead the way!

PITCH PERFECT – WHERE TALENT MEETS TENACITY

U14 SPARTANS DISPLAY GRIT AND TEAM SPIRIT

The cricket ground came alive with excitement as the U14 SISJ Spartans took on Agastya International School, Rohtak, in a spirited friendly encounter.

After winning the toss, Agastya opted to bowl first, putting the Spartans' batting line-up to the test. Our young cricketers displayed resilience as they worked hard to build their innings against a disciplined bowling attack. The match kept players and spectators engaged, with every boundary, wicket, and fielding effort adding to the excitement. Agastya eventually chased down the target and secured the victory. While the final score favoured the visitors, the game offered something far more valuable—a lesson in determination, sportsmanship, teamwork, and perseverance.

For our young Spartans, every match is another opportunity to learn, grow, and return stronger. Because true sporting success is measured not only on the scoreboard, but in the spirit with which we play.
