CIRCULAR

Activity Clubs for Classes IX-XII

SPS / Circular no. 16 / 2026-27 Date: Saturday, 11th April 2026

Dear Parent

Greetings!

The school focuses on the holistic development of the students, where scholastic and co-scholastic aspects are given equal weightage. Keeping this view in mind, the school conducts various club activities for the students. The participation in club activities not only helps in fostering their inherent talents but also provides a platform for sharing their views, thoughts, ideas etc. on various aspects as per NEP 2020. The school has scheduled club activity once a week.

Clubs will be allotted on first come first serve basis. Kindly choose any two clubs (according to the preference) after careful deliberation and submit the same in the link attached below.

The last date to submit the consent form is **April 15th, 2026.**

No changes will be entertained after 30th April 2026 in the chosen club. The club activity will be held on every Friday of the month.

The complete list of the clubs is mentioned below: -

Clubs	**Environment**	**Heritage**	**STEAM**	**Language and Communication**	**Entrepreneurship and Life Skills**
Details	This club encourages students to develop environmental awareness and responsible habits through activities like tree plantation, waste management, sustainability projects, and campaigns that promote conservation and care for nature.	The club helps students explore India's rich cultural heritage through activities such as heritage walks, research, traditional art and classical music appreciation, cultural presentations, and projects highlighting historical monuments, traditions, and diverse cultural practices.	The STEAM Club nurtures creativity and innovation by engaging students in hands-on activities integrating science, technology, engineering, arts, and mathematics through experiments, design challenges, problem-solving tasks, and innovative projects.	This club develops students' confidence in speaking and expressing ideas through debates, discussions, storytelling, public speaking, and Model United Nations activities, strengthening their communication, critical thinking, and leadership skills.	The club introduces students to entrepreneurial thinking, culinary skills, financial literacy, Photography, teamwork, and leadership through activities like business idea generation, problem solving, mock startup presentations, and practical projects that build real-life skills.
