SALWAN PUBLIC SCHOOL

Sector 15 (II), Gurugram, Haryana

CIRCULAR

Road Safety Norms for Students (Class I to XII)

SPS / Circular No. G-3 / 2026-27 Date 16 / 04 / 2026

Dear Parents,

The safety and well-being of our students is of utmost importance to us. In view of the increasing traffic on city roads, it is essential that students follow proper road safety practices while travelling to and from school. **Salwan Public School, Sector-15 (II), Gurugram encourages all students to adopt safe and disciplined habits on the roads**

Parents are requested to ensure that their wards strictly follow the **Road Safety Norms** mentioned below:

1. **Students must reach the school before 8:00 a.m.** Entry will **not be permitted after 8:00 a.m.** to ensure safety and smooth traffic management near the school gate.
2. Parents dropping children on two-wheelers are also requested to **ensure that both the rider and the child wear helmets**.
3. Students must **avoid rushing, running, or crossing the road carelessly** near school gates.
4. Always **use designated pedestrian crossings** and follow the instructions of the school staff and traffic volunteers.
5. Students using the **school bus must board and deboard in an orderly manner** and follow the instructions of the bus staff.
6. Vehicles **should not be parked** or stopped for long outside the school gate to prevent congestion and ensure smooth traffic flow.
7. Vehicles are **strictly prohibited** from entering the school via the wrong lane, as it increases traffic congestion.

Note: The traffic around the school premises is regularly monitored by the Traffic Police. In case of any violation of traffic rules or safety regulations, challans may be issued under the applicable traffic laws. Parents and students are therefore requested to strictly adhere to all road safety norms.

We look forward to your cooperation in helping us create a safe and disciplined environment and encouraging children to become responsible road users.

Warm regards,

Team SPS
