CIRCULAR

Subject : Holiday Homework, Class VII, Session :2026-2027

Summer Vacation is a time to relax, discover, imagine and learn beyond the classroom. Through activities like reflective writing, surveys, blogs, creative tasks, observations and real-life explorations, students will strengthen their communication, research, presentation and thinking skills in an enjoyable way.

Make this break meaningful by reading, exploring nature, interacting with people around you and expressing ideas creatively. Complete all tasks neatly, independently and innovatively while enjoying the spirit of learning.

Summer Break will commence from Wednesday, 18 May 2026 and will continue till Tuesday, 30 June 2026. The school will reopen on Wednesday, 01 July 2026.

Important days to observe in June 2026

World Environment Day – Friday, 05 June 2026

World Environment Day reminds us about the importance of protecting nature and using resources responsibly for a sustainable future. Students and parents are encouraged to adopt environment-friendly practices and contribute towards making the planet cleaner and greener.

Activity: Students are encouraged to watch the special podcast “**Our Power, Our Planet**” on Friday, 05 June 2026 available on the school’s YouTube channel. The podcast features Ahana Salwan of Class XII C and Shivika Pratap Singh of Class XI E in an engaging conversation with Dr. Shyamli, Associate Professor Centre for Climate Change South Asian University, and Dr. Rakesh Khatri, popularly known as the Nest Man of India. The discussion offered insightful perspectives on environmental responsibility, sustainable living, and the importance of individual efforts towards conservation. The session proved to be both informative and inspiring for the students.

Special thanks to our alumnus from batch 2013, Mr. Sarfaraz, Founder and CEO Startup Times, for his valuable support in creating and organising the podcast.

International Yoga Day, World Music Day & Father Day – Sunday, 22 June 2026

- Celebrate Father’s Day and International Yoga Day by encouraging your ward to participate in a family yoga activity promoting fitness, mindfulness, gratitude and stronger family bonding through healthy shared experiences.
- Conduct a thoughtful interview with your father or father figure to explore his life journey, experiences, struggles, achievements and values.

Students are encouraged to present the interview creatively through a written article/ short video recording/ photograph with captions/ voice-over presentation or digital collage. They may also include reflections on what they learnt from the interaction.

Kindly upload the activity in google classroom. A submission link will be shared by the class teacher.

Important Guidelines During Summer Vacation:

1. Students to complete the worksheets and revise the syllabus done till date in all subjects.
2. Practice good civic sense by keeping your surroundings clean, respecting public property and behaving responsibly in public places. Small acts of discipline, kindness and consideration help in building a peaceful, healthy and harmonious society.
3. Students are encouraged to learn at least one skill during the summer break to become more independent and responsible. Skills may include cooking simple meals, basic financial management, stitching/button fixing, gardening, first aid, public speaking, digital designing or household management.
4. Students and parents are encouraged to adopt digital practices, use public transport and choose Made-in-India products to conserve national resources, promote self-reliance and strengthen national integrity.

5. Parents are encouraged to help children balance screen time with family interactions, reading habits, outdoor activities and meaningful learning experiences during the summer holidays.

Some Suggestive books to read:

Students are encouraged to read any one of the following suggested books or any novel of your choice, during the summer break and prepare a brief book review/presentation to share with the class after the school reopens:

1. The Room on the Roof – Ruskin Bond
2. Wonder – R. J. Palacio
3. The Hidden Hindu – Akshat Gupta
4. Treasure Island – Robert Louis Stevenson
5. The Canterville Ghost – Oscar Wilde
6. Around the World in Eighty Days – Jules Verne
7. Matilda – Roald Dahl
8. Gulliver’s Travels – Jonathan Swift
9. I Am Malala – Malala Yousafzai
10. The Famous Five – Enid Blyton

Students will present their reviews in class after the summer vacation. A Certificate of Appreciation will be awarded for the best presentation/book review.

May this vacation inspire curiosity, positivity and personal growth while giving students time to connect with family, hobbies and new experiences. We eagerly await their return with fresh ideas, joyful hearts and a renewed passion for learning.

Wishing you happy, refreshing and rejuvenating holidays filled with joy, creativity and memorable moments.
