Dear Parents

Pranam!

National Anveshika Experimental Skill Test 2026 (NAEST 2026) is conducted every year by National Anveshika Network of India (NANI), a special platform of the Indian Association of Physics Teachers (IAPT) which guides 28 Anveshikas all over the country under the guidance of Prof. H C Verma.

The competition, NAEST 2026, is open to students of Classes IX to XII. There is no participation fee at any stage, and exciting prizes to be won. Besides the rewards, every participant gains valuable learning and enriching experience.

Intriguing 1-minute videos for observing and analysing, no invigilation while doing the experiments, absolute freedom in making the experimental set up, abundant time to think and perform, credit for coming out with extension of what is being asked, workshops on interesting topics, are some factors which make this memorable event, a great celebration.
