SUMMER LEISURE TIME ACTIVITIES

SESSION: 2026–2027

Summer vacation is a wonderful time for children to relax, explore new ideas, and enjoy meaningful moments with family. Encourage them to learn through play, reading, creativity, and daily life experiences. Let this break be filled with joyful memories and happy learning.

HERE ARE SOME ENJOYABLE ACTIVITIES FOR KEEPING CHILDREN ENGAGED DURING THE SUMMER BREAK:

- ❖ Read out a short story to the child every day.
- ❖ Involve the child in simple household activities like – watering the plants, clearing the table, putting back the toys, etc.
- ❖ Engage them in open-ended discussions (in English) and encourage him/her to speak about various topics like- the story they read, the plants in the garden, the new vegetables or fruits that he/ she has seen, about their favourite things, etc. This will help them to improve their communication skills.
