CIRCULAR

Subject: Launch of the School's New Website

Circular No. SPSMV/2026-27/ 6866

Date: 02 Sep 2026

Dear Parents,

Greetings from Salwan Public School, Mayur Vihar.

We are delighted to share that the School's new website is now live at www.spsmayurvihar.edu.in. It has been redesigned to be simpler, faster and comfortable to read on a mobile phone, and it brings together, in one place, everything you may need to know about your child's life at school — academics and assessments, activities and clubs, notices and circulars, the events calendar, class-wise monthly planners and photographs from campus.

You are requested to visit the website, explore it at leisure and save it as a bookmark on your phone or computer. The pages listed below are the ones we would request you to look at regularly, as they are updated through the term.

Links to check regularly

section of the website, so that nothing is missed if the App is not at hand. To ensure that important information always reaches you on time, we request you to:

- Keep the Edunext Parent App installed and logged in on at least one parent's phone, and allow notifications so that circulars, reminders and urgent messages reach you immediately.
- Open and read circulars on the day they are received; attachments can be downloaded directly from within the App or from the website.
- Check the Events Calendar and the class Monthly Planner before planning family travel or engagements, so that assessments and school events are not missed.
- Inform the School Office in writing of any change in your mobile number or e-mail address, so that our records — and your App access — remain current.
- Rely on the App, the website and the School Office for information, rather than on unofficial parent groups, so that what you act upon is always verified.

Should you face any difficulty in accessing the App, the Parent Portal or any page of the website, kindly write to the School Office and we shall be glad to assist you.

We look forward, as always, to your continued support and partnership in your child's learning journey.

Warm regards,

Principal
