SALWAN

CIRCULAR

Subject: Safe Arrival and Departure of students

SPS/MV/2026-2027/6943

Date: 30.09.2026

Dear Parents

Pranam!

The school continues to keep sending guidelines from time to time regarding the need to follow safety and security measures for the safe arrival and dispersal of all students. This is once again reiterated for compliance.

1. Walkers / Students Commuting with Parents

Parents accompanying their wards are requested to:

- Follow all traffic rules and road-safety regulations.
- Ensure that the rider and child wear a properly fitted helmet while travelling on a two-wheeler.
- Always use the correct side of the road and refrain from driving or travelling on the wrong side during pick-up and drop-off.

2. Private Vans

Parents using private transport for their wards are requested to ensure that:

- The vehicle is duly registered with the Transport Department under the School Cab Scheme.
- The vehicle owner and driver's details, including residential address, police verification, and contact number, are duly verified.
- Parents volunteer and accompany their ward in the private van/bus on a rotational basis to ensure that prescribed safety norms are being followed by the transport operator.

3. Students Using School Buses

For the safety of students and smooth movement of traffic:

- Parents/authorised guardians must reach the designated bus stop on time with a valid ID card and avoid any delay, as buses will not wait for more than one minute. Tracking of buses is accessible on EduNext. Kindly use the app for timely information.
- For Primary Class students, an authorised person must be present at the bus stop to receive the child.
- Please note that if no authorised person is present, the child will be brought back to school and must be collected by the parent/guardian from the school.

Parents are requested to adhere to these guidelines diligently and extend their continued cooperation in ensuring the safety, security, and well-being of our students.

Regards

Principal
