Subject: Career Guidance & Stream Selection Orientation Session

Circular No. SPS/MV/2026-2027/ 7026

Date: 13 October 2026

Dear Parents,

Pranam!

The transition from Class X to the senior secondary stage marks an important turning point in a student's academic journey. Choosing the right stream is not merely about academic performance; it involves understanding a child's interests, aptitudes, strengths, abilities and aspirations.
Keeping this in view, Salwan Public School, Mayur Vihar is organising an Offline Career Guidance & Scientific Stream Selection Orientation Session to empower parents with the right perspectives and tools to support their child in making a well-informed decision.

Session Details

Particulars	Details
Day & Date	Saturday, 24 October 2026
Time	9:30 a.m.
Resource Person	Mr Arindam Bhattacharya, Founder Partner, Cradle Solutions

The session will help parents understand:

- How interests and aptitudes influence academic and career choices
- How to recognise a child's individual strengths, abilities and learning style
- The importance of looking beyond marks while making stream-selection decisions
- How psychometric assessments can help identify a child's unique abilities, interests and learning preferences
- How informed guidance at this stage can help students make choices aligned with their potential and future aspirations

Every child is unique. There is no one-size-fits-all approach to choosing a stream. The right guidance at this crucial stage can help a child move forward with greater clarity, confidence and purpose. Parents of students who are approaching the Class X stream-selection stage must attend this insightful session and gain a deeper understanding of the factors that can support their child's academic and career journey.

Parents are requested to kindly confirm their participation by submitting their consent through the Google Form: https://forms.gle/84RpUphooRJmUgBV6
