Dear Parent

We are pleased to announce an enriching opportunity for our students to develop essential life skills through sports at **Salwan Public School**. We firmly believe in nurturing well-rounded individuals equipped with qualities such as teamwork, accountability, self-discipline, self-confidence, and a strong sense of responsibility.

Recognizing the enthusiasm and keen interest shown by our students in various sports, we are committed to establishing a comprehensive ecosystem to support their athletic growth. We are delighted to share that we have partnered with reputed academies that specialize in age-appropriate, professional training in Basketball.

Our objective is to provide expert coaching tailored to each student's skill level and interest. To facilitate this, we will conduct an orientation session for interested students. During this session, detailed information about the training programs will be shared, and students will have the opportunity to indicate their preferred sport.

To further this vision, we are introducing specialized training programs in **Basketball** for the students of Classes III to XII (**7:00 a.m. to 8:00 a.m.**)

The detailed schedule for each sport is provided below.

S.No.	Name of the Sport	Training Days	Fees per Month (3 Days a week)	Fees per Month (5 Days a week)

Please note that students enrolling in the training programme will be required to make their own transport arrangements to reach the school by **7:00 a.m.**

Teams formed through this training programme will be provided opportunities to participate in various inter-school and open tournaments.
