CIRCULAR

Subject: Cyber Safety Awareness Programme
Classes III-XII

SPS/785 / 2026-27 30 October 2026

Dear Parent

In today's digital world, it is important to help our children stay safe while using the internet, social media and digital payment platforms. The school is conducting cyber-safety awareness activities to promote safe and responsible online behaviour.

We request you to explore the following resources with your child:

1. Cyber-Safety Awareness Resources

- **Cybercrime Awareness Comic and Booklets:** Click here to access awareness material on online safety. Copies to be kept in the library.
- **CyberDost:** Click here for cyber-safety tips and updates.

2. Cyber Hygiene Certificate Course

Students, parents and teachers are encouraged to complete the **2.5-hour Cyber Hygiene Certificate Course** to learn practical ways to stay safe online. The certificates can be shared with the class teachers.

Click here to access the course

3. Discuss Cyber Safety at Home

Please discuss the following precautions with your child:

- **Digital arrest scams:** Do not trust callers who threaten arrest or demand money while posing as police or government officials.
- **UPI and banking frauds:** Never share OTPs, PINs or passwords. You do not need to enter your UPI PIN to receive money.
- **Phishing:** Do not click on suspicious links or open unexpected attachments.
- **Cyberbullying:** Report hurtful, threatening or inappropriate online behaviour to a trusted adult.
- **Safe social media use:** Keep personal information private, use appropriate privacy settings and avoid interacting with strangers online.

The school will continue to conduct cyber-safety awareness sessions and activities to reinforce these practices.

4. Reporting Cybercrime

Please ensure that your child knows where to seek help in case of online fraud or cybercrime.

- **Cyber Crime Helpline:** 1930 (particularly for financial cyber fraud)

- **Online reporting portal:** www.cybercrime.gov.in

These details will also be displayed on classroom notice boards.

5. Cyber Safety Pledge

Parents are requested to read and sign the **Cyber Safety Pledge during the upcoming PTM**. The signed pledge will be collected by the Class Teacher.

Your cooperation will help us create a safer digital environment for our children. Please explore the resources shared above and reinforce safe online practices at home.

STOP – THINK – TAKE ACTION
