Subject: Introduction of House Uniform
Classes VI- XII

SPS/ 794 / 2026-27 2 November 2026

Dear Parent

Greetings from Salwan Public School!

To enhance student comfort while fostering school spirit, we are pleased to introduce the **House Uniform.** Wednesdays and Fridays will be designated as activity days, when students will wear the respective House Uniform.

While opting for this attire is completely optional, we strongly encourage parents to consider its practical benefits for daily school life:

- **Fostering House Identity & Camaraderie:** For students, wearing their official House colours instils a sense of belonging, leadership, and healthy competitive spirit during House activities and events.
- **Functionality & Ease:** Crafted from breathable, durable fabric, this option allows students to move effortlessly between classroom learning, sports, and co-curricular pursuits without needing a change of clothes and participate more actively.
- **Convenience for Parents**: A practical, easy-to-maintain alternative that offers a welcome variation from the daily formal uniform while upholding our institution's standards.

The formal uniform will continue to represent the core ethos and tradition of Salwan Public School. However, this new option offers a wonderful opportunity for students to engage more comfortably and confidently in active school routines. **During winter months Blazer/Jacket may be worn on top of the House uniform.**

We look forward to your warm support in this initiative as we work together toward our students' comfort and holistic development.

Regards
