INTRODUCTION

Today 53 years from its establishment, the Sunbeam Group, with outstanding leadership of Dr. Deepak Madhok as the chairperson & Mrs Bharti Madhok as the Vice-Chairperson, stands for an obvious choice for thousands of parents of Uttar Pradesh when it comes to quality education with traditional values designed to reap the benefits of modernity.

WE AIM TO

Sunbeam Indiranagar's mission is to give wings to child's imagination, to provide a caring, healthy & challenging environment where children learn to know themselves, respect others, instill the values, culture, and an unflinching will power and a never-say-die attitude in every child.

OUR USP

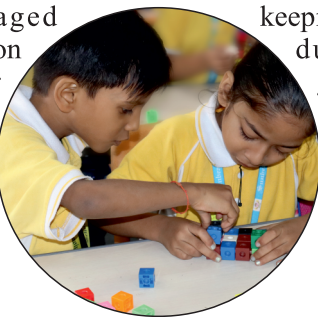

Sunbeam School Indiranagar uniqueness lies in its Student-Teacher ratio. On an average, there is a teacher on every 16 students. Harmonized with the sagacious faculty base, the school takes care of the latest technology for education be it smart boards, testing and learning through digital portals.

ENRICHMENT CLASSES

Apart from the school curriculum, enrichment and support classes are also scheduled for the students to get their academic problems solved and queries answered. A group of efficient teachers is engaged keeping in mind the need for focused and individual attention during problem solving sessions. Special Classes for gifted students who wish to appear for NTSE, NSTSE and other Olympiads of reputed organizations on regular basis. Surprise class tests, mock exams and yearly and annual exams are conducted to identify the gaps in students' preparation and measures are taken to rectify the same.

BEYOND CLASSROOMS

Keeping in view the need for holistic development of students' mind, body and soul, we provide ample opportunities for activities in all fields. Eminent personalities are invited for conducting Personality and Soft Skill Development Workshops for the students. Music, Dance, Drama, Yoga, Public Speaking classes are held regularly to give 360 degree personality boost to students.

PARENTS FORUM

Parents are called for discussions on issues related to their children's academics, enrichment classes, counselling sessions etc. Parents are also invited from time to time to seek their ideas and opinions on various issues pertaining to school.

OUTREACH PROGRAMS

Large number of students from the school keep travelling to various renowned schools and colleges of the country, from time to time to compete with the best in the industry, as part of their exposure for learning new avenues. Experienced Mentors / Professionals are hired to train such students to refine their skills under adept guidance.

SAFETY MEASURES

With the best of the equipments in the industry all measures have been taken care, to make the Indiranagar campus a very safe and secure zone for students and staff. Round the clock CCTV camera surveillance, continuous recording of video footage, fire hydrants and hoses, trained fire safety team, emergency hooters, calendarised fire safety and earthquake safety mock drills, etc., are few of the various measures that Sunbeam Indiranagar is fortified with.
