SESSION: 2026-27

CLASS 2

“It’s time to smile and play.

Holidays are on the way. Wow!

I am waiting for these lovely days.

I will have lot of fun with friends

I will play in the Sun and Moon.

All play and just a little Work, I promise I will do

A book of reading, a page of writing and a sum of math

With no refusal and no fighting.”

“The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice”.

Dear students ,

With summer break on the horizon , get ready for an engaging assignment that encourages discovery and fosters creativity.

Reminders:

- **All the activities will be evaluated on the basis of creativity , presentation and timely submission.**
- **It's essential that students complete their work independently in their own handwriting.**
- **Let's begin this adventure of discovery and creativity.**
