INDIVIDUALS IN SOCIETY

Textbook History (Old): India and the Contemporary World -II

Textbook Political Science (Old): Democratic Politics -II

Textbook Economics (Old): Understanding Economic Development

Publisher- NCERT

"Individuals in Society" Subject- This is a completely new interdisciplinary area.

Covers personal identity, ethics, community, social harmony. Designed to develop emotional intelligence and civic responsibility. Prepares students for Environmental Education in Class 10

Subject	Chapter	Chapter Name	Pedagogy and Assessment Methods:
Democratic Politics (Civics)	Chapter-1	What is Democracy? Why Democracy? Examines the role of individuals in choosing their government.	The subject will use dialogue-based learning, discussions, real-life scenarios, collaborative tasks, and experiential activities. Assessment: It will NOT be tested in the traditional board exam format. Assessment is formative and focuses on projects, portfolios, presentations, and social skills.
India and the Contemporary World-I (History)	Chapter-4	Forest Society and Colonialism: Examines how societal rules (colonialism) affect individual communities.	
Understanding Economic Development (Economics)	Chapter-2	People as Resource: Explores how individuals contribute to economic development.	

Key Concepts Explored:

- * Fundamental Rights and Duties: How an individual behaves in a society.
- * Social Harmony: The importance of brotherhood and community.
- * Individual vs. State: The balance of power between the person and the government.
