Art Integrated and Interdisciplinary Learning

LEARNING OUTCOMES-

1. Enhance creativity, imagination and self-expression.
2. Develop language, numeracy and thinking skills through fun activities.
3. Improve fine motor skills, concentration and hand-eye coordination.
4. Encourage observation, problem solving and independent learning.
5. Builds confidence and promotes joyful learning at home.
6. Strengthen emotional and social values such as love, gratitude and care for family.

GENERAL GUIDELINES-

- Complete all work neatly and creatively, use your own ideas and imagination.
- Parents may guide, but students should do the work themselves
- All holiday homework must be compiled in a single folder, clearly mentioning the **Name, Class, Section, and Roll Number** on the folder.
- Ensure all work is completed, compiled in the folder, and submitted **on or before 06.07.2026**
- As we approach the holiday break, it's time for a joyful journey filled with learning, creativity, and fun!

This holiday homework has been designed to keep your minds active and spark your curiosity while exploring the rich culture of India

ACTIVITY 1 - READ, CIRCLE & DISCOVER THE MAGIC OF GRAMMAR

Paste any newspaper article on an A4 size sheet and do the following:

- Circle the **adjectives** with a green colour pencil.
- Circle the **verbs** with an orange colour pencil.
- Circle the **nouns** with a red colour pencil.
- Circle the **prepositions** with a blue colour pencil.

ACTIVITY 2 - MAGIC WORD BUILDER

- Choose one big word and make as many smaller meaningful words as you can, using its letters. You may use each letter multiple times.
- Example:
BUTTERFLY → fly, try, butter, let, tube

Few suggested words-

- ☐ SUNSHINE
- ☐ VACATION
- ☐ ICECREAM
- ☐ RAINBOW
- ☐ HOLIDAYS

ACTIVITY 3 - BILL DETECTIVE ACTIVITY

- Take any shopping bill, grocery bill, restaurant bill or electricity bill from your parents.
- Observe it carefully and complete the following tasks on an A4 sheet:
- Find and write any 5 three-digit numbers from the bill.
- Circle the greatest number.
- Underline the smallest number.
- Arrange the numbers in ascending order.
- Write number names for any 3 numbers.
- Find objects around you that match 3D shapes mentioned in the bill items or packaging.

ACTIVITY 4 - SHAPES FUN IN JEWELLERY

- Observe the given pictures of ornaments of Arunachal Pradesh and draw it in Maths Notebook, colour them beautifully.
- Now identify the shapes used in it and write names of the shapes used in this ornament.

ACTIVITY 5 – MY FATHER MY HERO

◆ “My Dad’s Name, My Dad’s Qualities” ◆

Make a beautiful Father’s Day card for your father.

Write one special adjective or positive word for your father using each letter of his name inside the card. Decorate your card with colours, drawings, stickers, or family pictures.

☀ Example: If your father's name is **RAHUL**

- **R** – Responsible
- **A** – Amazing
- **H** – Helpful
- **U** – Understanding
- **L** – Loving

You may also write a small message for your father inside the card.

ACTIVITY 5 - READING EXTENSION ACTIVITY

To encourage a love for reading and to extend learning beyond the classroom, we are introducing a **Summer Reading Extension Activity**. Please follow the guidelines below:

- We are providing a curated list of age-appropriate books. Parents are requested to purchase or borrow these books for their child. The list includes a mix of fiction, non-fiction, and classics to broaden reading horizons. This list is only suggestive — you are free to choose any other age-appropriate books that suit your child's interests.
- Encourage your child to read for at least 20–30 minutes each day. This can be done in the morning, before bedtime, or at any quiet time during the day.
- Children should maintain a simple reading journal where they note the book title, author, pages read, and a few sentences about what they enjoyed or learned.

Suggested Story Books

- *Tenali Raman Stories
- *Fairy Tales
- *The Jungle Book
- *Akbar and Birbal Stories
- *Short Adventure Stories
