

Earth Day Special Assembly – Class V

The school became alive with creativity and purpose on April 22 as the students of class V B celebrated Earth Day through a vibrant assembly themed 'Save Earth, Save Future.'

The program began with a graceful welcome dance, setting a joyful tone and reminding us of the harmony between nature and life. This was followed by a thought-provoking skit, where students highlighted the urgent need to protect our planet from pollution, deforestation and climate change.

Their powerful performance echoed the message that safeguarding Earth is safeguarding our future.

Together for a Greener Tomorrow

The earth is what we all have in common

Small Actions, Big Impact!

Celebrating the beauty of nature
