

Raksha Bandhan Special Assembly

Class VI filled the morning with love, laughter and tradition as they presented a beautiful Raksha Bandhan Special Assembly on **24th August 2026**.

The assembly beautifully showcased the essence of this eternal bond between brothers and sisters. The highlight was a heart-touching Skit on Raksha Bandhan that reminded everyone that Rakhi is not just about a thread, but a promise to protect, respect and stand by each other forever.

This was followed by a vibrant and graceful Dance Performance that left the audience mesmerized and added festive colours to the celebration.

The students conveyed a powerful message - In today's world, Raksha Bandhan is a celebration of every bond of care, love and protection.
