2. The text books should be covered only with used paper or bound so that they don't tear during the session.
3. All text books and notebooks should be properly labelled with name, class and section.
4. All notebooks should be of **big size**. Small notebooks will not be accepted in school for correction.
5. Parents are requested to buy the books at the earliest before the stock is sold.
6. Reference books mentioned (if any) are **optional** to buy.
