

VANASTHALI PUBLIC SCHOOL

Vasundhara, Ghaziabad
Blue Colour Day

Circular No: VPS/ACT/2025/25

Dear Parents,

"Blue is the sky, blue is the sea,

Blue is the colour of joy and glee!" 🐡💙

Warm greetings!

We are delighted to inform you that our little learners of class Nursery to II will celebrate Blue Day on **Friday, 29th August 2025**. The day will be filled with excitement, creativity, and fun as children learn about the significance of the colour blue in the world around us.

💙 **Dress Code:** Students should come dressed smartly in blue-coloured attire.

💙 Activities for the Day:

1. *Show and Tell* 🗣️
 - Children will bring along an item of their choice (of blue colour) and speak a few lines about it.
 - This activity will help them build confidence, vocabulary, and communication skills.
2. *Clay Activity* 🍵
 - Students will enjoy a hands-on clay modelling activity, shaping creative objects with their imagination.

We look forward to making this day a joyful and learning experience for our young ones. Let's make the world a little more colourful with shades of blue! 🌍💎

Sincerely,
Mr. Vinita
