Subject: Regular School Routine and Discipline After Term I Assessment

Dear Parents/Guardians,

Happy Navratri Greetings!!

We hope this message finds you in good health. With the completion of the Term I Assessments, we are pleased to inform you that regular school schedules will now resume for all classes.

At this important juncture of the academic year, it is vital that students maintain consistency, discipline, and enthusiasm in their daily school routine.

Parents are kindly requested to ensure the following:

- *Punctuality: Students must arrive at school on time every day, as late arrival disrupts both their learning and that of their peers.
- *Proper School Bag Schedule: Children should carry only the books and notebooks prescribed for the day as per the timetable, to avoid unnecessary burden.
- *Neat and Clean Uniform: Wearing a clean, well-ironed uniform with proper shoes and grooming reflects discipline and pride in belonging to the school.
- *Energized Start to the Day: Please ensure that your child has had a wholesome breakfast and comes to school well-rested and prepared for active learning.
- *Regular Attendance: Consistent attendance is essential to cover the syllabus effectively and prepare for forthcoming academic challenges.

We seek your continuous cooperation in reinforcing these habits at home. Together, we can ensure that every child thrives academically, socially, and emotionally, while upholding the standards and values of Thali Public School.

We look forward to your support in making the post-assessment term a productive and rewarding journey for our students.

Warm regards,

Principal
