Subject: Uniform & Hygiene Guidelines for Students

Dear Parents and Students,

This is to remind you that all students must come to school in complete and proper uniform as per the school guidelines. Uniform reflects discipline and the identity of our institution, and it is mandatory even during assessments.

We request you to kindly ensure the following:

1. Students must wear neat, clean, and well-ironed uniform every day.
2. Uniforms should be washed daily to maintain hygiene and freshness.
3. For white uniforms, please use a suitable stain-free detergent to avoid marks and stains.
4. Shoes must be polished, and hair should be properly groomed.
5. I-Cards must be worn daily and kept clean.

Strings of water bottles should be washed regularly.

6. I-Cards and their covers should also be cleaned frequently.

Your cooperation and adherence to these guidelines will help us maintain discipline, hygiene, and uniformity among our students.

With regards,

Principal

Vanasthali Public School
