Dear Parents and Students

We are pleased to inform you that our school is organizing a “Constitution Awareness Activity “on the occasion of Dr. B.R.Amedkar Jayant to help students understand the importance of the Constitution, their rights, duties, and the values of justice, equality, and responsibility in a democratic society.

To make learning more engaging and meaningful, students will participate in activities such as Nukkad Natak and Court Room Act, where they will present short performances based on constitutional values and social awareness. These activities will help students express their thoughts creatively while learning about the importance of law, fairness, and citizenship.

We hope this activity will help students understand the values of the Constitution and encourage them to become responsible and aware citizens.

Guidelines:

Students are requested to participate actively, cooperate with their teachers, and maintain discipline during the activity.

- Act-based attire will be suggested
- Follow all instructions given by the school authorities.
- We look forward to your cooperation and support.

Warm regards

Vaishali Saxena
Activity Co-ordinator
