## **Activity: Leadership Inning Podcast**

*Where Young Voices Meet Visionary Leadership*

**Date:** 17 April 2026

**Day:** Friday

**Time:** Circle time

**Venue:** Greenroom

**Dear Parents and Students**

We are delighted to introduce an inspiring initiative — **“Leadership Innings Podcast with the Principal”** — a unique platform where curiosity meets conversation and young minds step into the world of leadership!

This engaging podcast session offers students a wonderful opportunity to interact directly with our esteemed Principal, sharing thoughts, asking questions, and exploring ideas that shape tomorrow’s leaders.

### **Activity Highlights:**

- A student-led podcast fostering confidence and communication
- Insightful conversations on leadership, values, and vision
- A chance for students to express, explore, and evolve

Students will be selected to participate as hosts, speakers, and audience members. We encourage you to motivate your child to be a part of this enriching experience.

Let’s come together to nurture voices that inspire, ideas that lead, and minds that make a difference!

**Warm regards**
