Dear Parents and Students With great pleasure, we announce the organization of an enriching and imaginative activity titled “Storyline”, scheduled for 28 April. This thoughtfully designed initiative aims to cultivate creativity, strengthen communication skills, and inspire students to express their ideas with confidence and originality.

About the Activity:

“Storyline” is a creative platform where students will conceptualize, develop, and present their own stories. Through this activity, learners will explore the art of storytelling by integrating narration, expression, voice modulation, and, if they wish, simple visual aids.

Key Highlights:

- Creation and presentation of an original story
- Emphasis on expression, clarity, and creativity
- Opportunity to your creativity
- A platform to build confidence

Guidelines:

- Stories must be original and age-appropriate
- Students have to draw a picture related to the story.

Objective:

The activity seeks to foster imagination, enhance linguistic abilities, and to give opportunity to the students to showcase their creative potential in an engaging and supportive environment.

We look forward to enthusiastic participation from all students and the creation of a vibrant tapestry of stories. Let every story come alive!

Warm regards
