Circular
VI-VIII

Circular No: VPS/ACT/2026/20 Date: 23-10-26

Subject: Inter-House "Shark Tank" Activity Schedule (Classes VI to VIII)

Dear Parents and Students,
Greetings!

To foster a spirit of creativity, innovation, and practical problem-solving, the school is organizing an interactive and engaging Inter-House "Shark Tank" Competition for students of Classes VI to VIII. Students will design and prototype their innovative ideas to pitch during school hours.

Theme 1: "The Eco-Hack Tank" (Jugaad for Planet Earth)
Inventions made entirely from upcycled household waste, old cardboard, plastic bottles, or discarded stationery that solve a daily environmental annoyance (e.g., the Tiffin-Tracker band or Eco-Eraser Shield).
Theme 2: "School Life Pain-Killer" (The Problem Solvers)
Products designed to solve annoying, everyday school or classroom problems that teachers and students face (e.g., the No-More-Heavy-Bag cart or Homework Buddy board).
Theme 3: "Mythological Modernizers" / "Myth-Busters & Mind-Boosters"
Startups focused on mental well-being, stress-busting, or taking a concept from ancient Indian history/mythology (like the Panchatantra AI Storyteller or Chanakya's Strategy Planner) and pitching it as a modern tech gadget or service.

Presentation Formats
Students are free to present their idea using **any one** of the following formats:

- Working/Static Model or Prototype
- Presentation PowerPoint (PPT)
- Drawings, Posters, or Sketches

General Instructions & Rules

- **Materials:** Basic stationery, craft supplies, upcycled materials, or digital presentation files.
- **Prohibited Items:** Use of single
- -use plastics, thermocol, and hazardous materials is strictly prohibited.
-
- **Identification:** Attach a 2×2 **inch paper tag** (or include on the title slide/drawing sheet) with Student's Name, Class, Section, and House.
